Wash Park gem. Beautifully updated home located 1 1/2 blocks from park. As you walk into this home you are greeted by an incredible wall of windows that face west and have custom privacy window coverings allowing the shades to open from top down or bottom up. Home has an open living room/dining room style. Living room has a gas insert fireplace surrounded by stone tile and built-in cabinets with glass doors. Completely updated kitchen with cabinets that reach to the ceiling and a wall of cabinets built in across from the long granite countertop plus hallway pantry cabinets. Five burner gas stove with over the stove microwave and separate wall oven, dishwasher also included. Large primary bedroom is carpeted and has east facing glass door to back patio. Primary four piece bath has nice soaking tub and glass steam shower. Primary bedroom closet is a huge, custom built system with metal racks, shelves and hanging
